**If you think you are beaten, you are,
If you think you dare not, you don't
If you'd like to win but you think you can't
It is almost certain you won't**

**If you think you'll lose, you've lost,
for out in the world we find
Success begins with a fellow's will-
It's all in the state of mind**

**It you think you are outchassed, you are-
You've got to think high to rise
You've got to be sure of yourself before
You can ever win a prize.**

**Life's battles don't always go
To the stronger are faster man;
But soon or late the man who wins
is the man who thinks he can.**

Who is your life partner ?

Mom ?

Dad ?

Wife?

Son?

Husband ?

Daughter ?

Friends...?

not at all !

Your real life partner is Your Body.

Once your body stops responding no one is with you. You and your body stay together from Birth till Death. What you do to your body is your responsibility and that will come back to You. The more you care for your body, the more your body will care for You. What you eat, What you do for being Fit, How you deal with stress, how much rest you give to it; will decide how your body gonna respond. Remember your body is the only permanent address where You live. Your body is your asset/liability, which no one else can share. Your body is your responsibility. Because, You are the real life partner. Be Fit forever.

Take care of yourself. Money comes & goes. Relatives & Friends are not permanent. Remember no one can help your body other than you.
