J. Innovations / Contributions in Teaching

- a) Design of curriculum : ----
- b) Teaching Methods : I follow learner – centered method in my Teaching, considering the barriers, obstacles in the learning process.
- c) Laboratory experiments : To use ICT Application on the concepts, methods and theoretical subjects to evaluate the basic idea into a digital form to our students in the classroom.

- d) Evaluation methods : My method of evaluation is an ongoing process throughout the performance testing effort, it offers greater value when conducted early in the test project such as Seminars, Assignments, class modal test, Group Discussions.
- e) Preparation of resource materials including books regarding materials, : For effective teaching I use PowerPoint Show presentation to inculcate the laboratory manuals etc., students easily and effectively.
- f) Remedial Teaching / Students teaching materials from books, journals and web sources.
Counseling (Academic) : After identifying slow – learner's and students with some social problems. I give personal counseling and guidance to overcome their problems. I also conduct special classes for slow – learners with prior permission from the Head of the Department and The principal, to get rid-off their academic problems.
- g) Any other : I speak to the students about their moral and social responsibility. I also make them to realize the need for their personality development and the need to be an honest citizen of our country. I courage the students to participate in extra circular activities to enrich their values.
